PARKING AND LOAD IN: Upon arrival to the venue please check in with the venue manager through the front door on 10th St and they will unlock the backdoor for load in (which is located on Bannock). Venue staff will direct you to the load-in/staging area, where there is enough room for 2 bands to pre-set up on stage right. Bagged meters are available on West Bannock St, Northwest of the intersection of 10th and Bannock. Parking is only available for bands loading in and out. Street parking for after load-in and soundcheck is available on Jefferson along 10th on a first come, first serve basis. Please advance any large vehicles so we can make parking arrangements.

SOUND/LINE CHECK: All sound checks will be festival line checks unless advanced. Please arrive at the venue at least two hours prior to your set for load-in. There is 20 minutes between each act for set up/line checks and any time taken for set up/line checks over this time will cut into your set.

BACKLINE: Artists are to provide their own backline (unless otherwise advanced). If you would like to share gear with other bands on the bill please feel free to coordinate that in advance or night of show.
